## MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Cooperative Agreements with Health Care Facilities  
East Pasco Medical Center  
Regional Medical Center Bayonet Point

The School District has numerous cooperative Agreements with various health care facilities in order to allow students to complete clinical assignments in the Health Occupations program. The attached agreements have been developed to allow students enrolled in the Allied Health Assisting program to use the various health care facilities for clinical rotations. Due to the holidays and change in Board dates, the attached contracts will be retro active to January 1, 2006. The attached agreements are being forwarded for your perusal.

At this time, we respectfully request your approval of the Agreements between The District and the above-referenced facilities for second year of the three year agreement for the Allied Health Assisting Program.

Thank you for your consideration in this matter.
