Recommendation: Recommend acceptance of bids as noted on the attached tabulation sheets, for the following schools currently under construction: **Elementary:** OES, GHES, TOES; **Middle:** JLMS, PRSMS; **High:** WRHS.

Term of Contract: Part A: For a period of one year from date of award. Part B (manufacturer's discount off list price): For a period of one year from date of award, with two (2) consecutive yearly renewals, at the mutual consent of the parties (Part B was Board approved February 7, 2006).

Notations and Exceptions:

Part A: Each Award Group was awarded "all or none," due to compatibility issues. Bids from Commercial Design Service, Florida Library Design, and Virco were disqualified after bid opening; these vendors did not acknowledge Addendum #2 and use the correct bid forms (with correct quantities), as mandated in the bid documents.

Part B: Approved by the Board on February 7, 2006.

Award Group #7, Metal shelving: Recommend rejection of low bid from Grainger as not meeting School Board specifications. Edsal shelves do not bolt together at the top and bottom as required, which would affect shelf stability. Recommend acceptance of bid from School Specialty as lowest and best responsive, responsible bid meeting written specifications.

Award Group #9, Wood furniture: Recommend acceptance of bid from Ernie Morris Enterprises as lowest and best responsive, responsible bid meeting written specifications.

Award Group #10, Wood bookcases: Award Group pulled from agenda February 16, 2006; see attached memo. Anticipate recommendation to Board March 7, 2006.

Award Group #12, Conference tables: Recommend acceptance of bid from Ernie Morris Enterprises as lowest and best responsive, responsible bid meeting written specifications.

Notations and Exceptions, continued:

Award Group #13, Mica teacher furniture: Recommend acceptance of bid from Ernie Morris Enterprises as lowest and best responsive, responsible bid meeting written specifications.

Award Group #14, Student music posture chairs: Recommend rejection of low bid from School Specialty as not meeting School Board specifications. The National Public Seating line does not have the secure side, top rear, and bottom-to-leg bracing and welding required for chair durability, nor does it have protective leg glides. Recommend acceptance of bid from Wenger Corporation as lowest and best responsive, responsible bid meeting written specifications.

The requirements of this bid are for the six (6) schools noted above. For all items, quantities listed may vary slightly, but unit prices will remain the same. Offers from other vendors listed herein are the only offers received per the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
