MEMORANDUM

TO: Honorable Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

SUBJECT: Purchase Order: Annual Support Contract
e-Sembler Teacher Gradebook and Parent Access Software
Premio Computer, Inc.

On April 9, 2005, official action (attached) was taken to award a direct negotiated contract to Premio Computer, Inc. This program implements an enterprise-wide electronic gradebook to automate the taking of attendance, support classroom management, and facilitate the issuance of student grades. The system also eliminates scanning of attendance and grades, and reduces the volume of paperwork and amount of staff time involved with the attendance and grading process.

We are asking for permission to place a purchase order in the amount of \$56,940.00 to Premio Computer for annual support and maintenance of this program. This amount was contractually agreed upon in the negotiated contract, and is based on an enrollment of 60,001 – 65,000 students. The maintenance contract term will be April 25, 2006 – April 24, 2007.

Please contact Mr. Tom Learn, Supervisor of Computer Services, or me at your earliest convenience if you have any questions or concerns.
