Recommendation:

Recommend acceptance of bid from Independent Hardware, Inc., as noted on attached bid tabulation sheet, as lowest and best, responsive and responsible “all-or-none” bid meeting written specifications.

Term of Contract:

This bid is for a firm-fixed price for seven thousand six hundred and fifteen (7,615) combination/key control padlocks with a minimum of five master keys per location for immediate delivery to individual secondary schools and for “as needed” quantities, that may be required by the District during the term of this bid. This is a one-year bid. The term shall be effective from May 3, 2006 to May 2, 2007.

Notations and Exceptions:

Grand total of bid may vary with more or less use of the “unit price” for additional keys and for the purchase of “as needed” combination locks.

Southern Lock & Supply Company and Taylor Security & Lock Company, Inc. indicated the cost for master keys (five per location) would be of an additional cost. Therefore Southern Lock & Supply Company’s bid price for locks would be the cost of the lock (\$3.08) plus an additional cost of master keys (5 x \$1.60 = \$8.00) for each of the fourteen locations.

Offers from the vendors listed herein are the only offers received timely as of the above opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
