MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Contract
Southwest Florida Water Management District

On November 22, 2005, the Board approved the attached contract. However after the contract was returned to Southwest Florida Water Management District's legal department it was determined that Southwest Florida Water Management District needed to change some of the language.

The Term language, Prohibitions language, Reserved Rights language, District's Option to Extend language, Indemnification language, Insurance language, Default language, Notices language and Taxes language have had changes. Also Southwest Florida Water Management District added additional language for Modification, No Agency Relationship, Governing Law, Effective Date of Lease, Binding Effect and Attachments.

The School Board's attorney has reviewed these changes and has determined all changes and additions to the contract are acceptable. Therefore, at this time it is my recommendation that the Board approve the attached contract to Southwest Florida Water Management District for cattle grazing/haying to be used by Pasco High School.

Should you have any questions regarding this request, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
