MEMORANDUM

TO: Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Third-Year Renewal of Three-Year Agreement
Negotiated Contract for Apple Products
05-028DN

On July 20, 2004 official action (attached) was taken to award the above referenced contract to Apple Computer, Inc. This agreement is a three-year, negotiated contract, renewable annually based on mutual agreement of both parties. The second year will expire June 30, 2006.

On May 25, 2005 the Board also granted the Purchasing Department blanket approval to purchase Apple Computer equipment and supplies up to \$4 million. Due to the opening of Oakstead Elementary, Trinity Oaks Elementary, Gulf Highlands Elementary, Paul R. Smith Middle School, Dr. John Long Middle School, and Wiregrass High School, Information Services and District Media are projecting increased utilization of this contract during the next fiscal year. Therefore, we are requesting blanket approval for the 2006-2007 fiscal year in the amount of \$6.5 million, on an "as needed" basis. As in the past, the Purchasing Department will monitor all Apple purchase orders to assure the blanket threshold is not exceeded.

At this time, it is my recommendation to enter into the third year of this agreement with Apple Computer, Inc. The term will be July 1, 2006 – June 30, 2007.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
