MEMORANDUM

TO: Honorable Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

SUBJECT: Master Services Agreement for Maintenance with IBM
IBM AS/400 Equipment
Subscription Software Agreement (AS/400 Operating System)
IBM AS/400 Support Services

As you know, Information Services uses IBM AS/400 equipment to operate the TERMS modules for Student Records, Finance, Human Resources and Purchasing. The District's current negotiated contract for services is due to expire on June 30, 2006.

Attached please find a Master Services Agreement with IBM, for continuation of maintenance services for the period July 1, 2006 – June 30, 2007. The services provided from IBM have been satisfactory to date. Considering IBM is the original equipment manufacturer for this high-technology hardware, and owns the copyright to the software operating system, it is my recommendation that the attached agreement be approved as allowed under Department of Education Rule 6A-1.012(10). Information Services is also requesting permission per the attached schedule to place purchase orders for maintenance, totaling \$82,561.23, and services, totaling \$8,990.62, for encumbrance in the next fiscal year.

Should you have any questions concerning this matter, please contact Mr. Tom Learn, Supervisor of Computer Services, or me at your earliest convenience.
