MEMORANDUM

TO: Honorable Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

SUBJECT: Contract for School Concurrency Plan
Nabors, Giblin & Nickerson, P.A.

In the 2005 legislative session, Senate Bill 360 mandated that the Pasco Board of County Commissioners (BOCC) develop an interlocal agreement with the District School Board of Pasco County to avoid overcrowded schools by ensuring that school capacity is concurrent with development.

The attached agreement for Professional Consultant Services with the above-referenced legal firm has been developed by the BOCC to ensure compliance with Senate Bill 360. The District has a vested interest in the agreement, as it will ultimately ensure that development does not outstrip school capacity. Under the agreement, the District and the BOCC share costs 50/50; the District's commitment is therefore \$126,450, to be paid in arrears as deliverables are approved by the District and BOCC.

Mr. Ray Gadd, Assistant Superintendent for Support Services, has requested that the agreement be brought before the Board for approval at this time. Per F.S. 287.057, the BOCC and the District may waive the bid process and negotiate for legal services. The document has been reviewed and approved by Purchasing and Ms. Nancy Alfonso, Board Attorney. I am therefore recommending that the Board approve the agreement as presented, so that the mandated work may begin as soon as possible.

If you have any questions or concerns, please contact Mr. Gadd or me at your earliest convenience.
