MEMORANDUM

TO: Honorable Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Contract for Online High School Courses
Florida Virtual School

The Department of Instructional Media and Technology has been working with Florida Virtual School (FLVS) since 2003; they are a sole source provider in Florida for online Florida high school courses.

Attached is a license, requiring the signature of Superintendent Fiorentino, for the District to use the services of FLVS for the 2005-2006 school year. The estimated cost is \$18,000, secured from Title V grant funding. We are also requesting permission to issue a purchase order in this amount after Board approval.

Should you have any questions or concerns, please contact Fran Schulz, Director of DIMC, or me at your convenience.
