Recommendation:

Recommend acceptance of bid from Taylor Security & Lock Company, Inc., as noted on the attached bid tabulation sheet, as lowest and best, responsive and responsible “all-or-none” bid meeting written specifications.

Term of Contract:

This bid is for surface vertical rod exit devices “as needed” by the Maintenance Department for use throughout the District. This is a three-year contract, renewable annually, based upon mutual agreement of both parties. The first year of this contract shall be effective from December 7, 2005 to December 6, 2006.

Notations and Exceptions:

Taylor Security & Lock Company, Inc. had an addition error in the total “all-or-none” bid price and has agreed in writing to hold their total price. As per the general terms and condition of the bid, in the event of price discrepancy for an all or none bid the total price will prevail.

Recommend rejection of lower bid from Independent Hardware, Inc. because of failure to meet the written specifications for compatibility with existing systems (mounting hole different, dogging key turns more than ¼ turn).

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
