## MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

RE: School Link Technologies, Inc.  
Purchase order #10001898

Rick Kurtz, Director of Food & Nutrition and Distribution Services, is requesting approval of the attached School Link Technologies purchase order #10001898. School Link Technology software products are utilized to process and account for free and reduced price meal applications, point of sale transactions and meal accountability. We have utilized their products for over fourteen years.

Under the Department of Education Rule 6A-1012(10), a district school board, when acquiring, whether by purchase, lease, lease with option to purchase, rental or otherwise, information technology resources, as defined in Section 282.303(13), Florida Statutes, may make any acquisition through the bid process as described herein or by direct negotiation and contract with a vendor or supplier, as best fits the needs of the school district as determined by the school board. As this purchase order is for computer software, the bidding process has been waived. The prices have been negotiated with School Link Technologies, Inc. and we are requesting approval of this order.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
