MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

RE: Bid #10-054-LR Plumbing Supplies – Maintenance Department
Best Plumbing, Ferguson Supply, Grainger, HD Supply, and Warner Supply
Additional Expenditures

On December 1, 2009, official action (attached) was taken to enter into the first year of the Plumbing Supplies bid with the above-referenced vendors. This recommendation was for an anticipated annual expenditure of \$60,005.63 for the first year. The first year covers the period of December 2, 2009 through November 3, 2010.

At this time, the Maintenance Department has determined that an additional \$5,000 will be needed for HD Supply, Ferguson Supply, and Warner Supply and an additional \$1,000 will be needed for Best Plumbing and Grainger through December 1, 2010, to cover anticipated expenditures for the balance of the first year. This increase is due to the addition of several new facilities. At this time, it is my recommendation that the Board approve the additional dollar amount of \$17,000 through November 3, 2010.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

Recommendation:

Recommend acceptance of bids as noted on the attached bid tabulation sheet, as lowest and best, responsive and responsible bid meeting written specifications.

Term of Contract:

This bid is for plumbing supplies "as needed" by the Maintenance Department for use throughout the District. This is a three-year bid renewable annually based upon mutual agreement of both parties. The first year of this contract shall be effective from December 2, 2009 to November 3, 2010. The bid prices are firm and fixed for the first year of the contract and may be adjusted annually based on changes in the Producer Price Indexes of # WPUS1019011, #PCU332913332913 and #PCU4841--4841--.

Notations and Exceptions:

Items are awarded on a line item basis per bid specifications. Mensch Mill & Lumber Corporation, Sexauer, and Total Maintenance Solutions had errors on their pricing and could not hold their unit prices. Therefore, they have requested their bid be withdrawn (copies on file in Purchasing). Tie for item NPE73ABest Plumbing, Ferguson, and Warner Plumbing Supply Co. of FL, Inc. was broken by Drug-Free Workplace Statement as outlined in the bid document. Recommend rejection of items #SPX21K and #SPT62 because specifications were listed incorrectly on the bid document. Request permission to purchase these items after obtaining quotes.

Several vendors had addition errors from unit to totals: unit prices prevailed and are noted by ****. However the addition errors did not change the apparent low bidder.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.

Savings were determined by averaging all responsive and responsible bids submitted and subtracting the recommended vendor's price.
