MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent

RE: Fourth Year Renewal of Five-Year Contract
Direct Negotiated Contract for Fire Alarm Installation
SimplexGrinnell

On January 22, 2008, official action (attached) was taken to award the above-referenced negotiated contract to SimplexGrinnell. This negotiated contract is a five-year contract, renewable annually based upon mutual consent of both parties. The second year of the agreement expired on December 31, 2009. Subsequently, the third year of the agreement was awarded on December 1, 2009 and covers the period of January 1, 2010 through December 31, 2010.

Considering services have been satisfactory, James E. Hampton, District General Manager, SimplexGrinnell, was contacted to verify his willingness to enter into the fourth year of the agreement. As such, James E. Hampton has agreed in writing (attached), to enter into the fourth year of the contract.

The terms and conditions of the contract allow for changes (increase and decrease) in labor rates based upon the National Occupational Employment and Wage Estimates. SimplexGrinnell has requested, in writing (attached), a price adjustment in accordance with the 2009 National Occupational Employment and Wage Estimates for the third year beginning January 1, 2011: Helper \$10.95 (increase), Lead Installer \$16.83 (increase), Supervisor \$25.77 (increase), Project Manager \$39.05 (increase).

At this time, it is my recommendation to enter into the fourth year of the agreement with SimplexGrinnell with the appropriate price adjustments. The fourth year of the contract will cover the period of January 1, 2011 through December 31, 2011 with anticipated expenditures of approximately \$750,000. At this time, we are requesting blanket approval in the amount of \$750,000 in order to reduce delays in processing work orders dealing with the "life, health, safety" issues associated with fire alarms. Funding for these expenditure will come from general and capital funds. As always, the Purchasing Department will monitor and calculate all SimplexGrinnell purchase orders to verify that the dollar limits are not exceeded. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

DIRECT NEGOTIATED RENEWAL REQUEST TITLE: Simplex Fire Alarm Installation

Yes, I agree to renew the contract listed above under the same terms and conditions as the existing bid. The renewal period will begin on January 1, 2011 and will expire on December 31, 2011.

No, I do not agree the contract listed above.

COMPANY NAME: Simplex Grinnell

SIGNATURE: [Signature]

TYPED NAME AND TITLE: James E. Hampton District Manager

TELEPHONE (WITH AREA CODE): (813) 626-5482

FAX NUMBER (WITH AREA CODE): (813) 313-1606

E-MAIL: jhampton@simplexgrinnell.com

DATE: Oct. 8, 2010

NOTE: Awarded vendor may provide updated pricer(s) when published by the respective manufacturer, not to exceed twice a year. In the event the successful bidder fails to deliver a subsequent pricer to the Purchasing Department, with a copy to the Maintenance Department and to unqualifiedly substantiate delivery – the previously delivered pricer WILL remain in effect.

By agreeing to renew, vendor acknowledges and agrees to be in compliance with the "Jessica Lunsford Act". Vendors conducting business, with the District School Board of Pasco County, who will (1) be at the school when students are present, or (2) have direct contact with students, or (3) have access to or control of school funds must be Level 2 fingerprinted by Human Resources. If any of the above applies to this contract, you must have those individuals Level 2 fingerprinted and screened by the Districts Human Resource Department prior to commencement of services or work and must provide a list of employees with renewal. Please contact 813/794-2521 to arrange for an appointment. Costs associated with this background screening are to borne by the vendor. You may access information regarding this law by reviewing Sections 1012.32 and 1012.465, Florida Statutes. This law became effective September 1, 2005.

The prospective bidder certifies, by submission and signature of this bid renewal form, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction per the provisions of Florida Statute 287.133(2)(a).

MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent *KGD*

RE: SimplexGrinnell
Direct Negotiated Contract for Fire Alarm Installation
Third Year Renewal of Five-Year Contract

On January 22, 2008, official action (attached) was taken to award the above-referenced negotiated contract to SimplexGrinnell. This negotiated contract is for a five-year contract, renewable annually based upon mutual consent of both parties. The first year of the agreement expired on December 31, 2008. Subsequently, the second year of the agreement was awarded on November 18, 2008 and covers the period of January 1, 2009 through December 31, 2009.

Considering services have been satisfactory, James E. Hampton, District General Manager, SimplexGrinnell, was contacted to verify his willingness to enter into the third year of the agreement. As such, James E. Hampton has agreed, in writing (attached), to enter into the third year of the contract.

The terms and conditions of the contract allow for changes (increase and decrease) in labor rates based upon the National Occupational Employment and Wage Estimates. SimplexGrinnell has requested, in writing (attached), a price adjustment in accordance with the 2008 National Occupational Employment and Wage Estimates for the third year beginning January 1, 2010: Helper \$10.86 (no change), Lead Installer \$16.64 (increase), Supervisor \$24.50 (increase), Project Manager \$38.58 (increase).

At this time, it is my recommendation to enter into the third year of the agreement with SimplexGrinnell with the appropriate price adjustments. The third year of the contract will cover the period of January 1, 2010 through December 31, 2010 with anticipated expenditures of approximately \$770,000. At this time, we are requesting blanket approval in the amount of \$770,000 in order to reduce delays in processing work orders dealing with the "life, health, safety" issues associated with fire alarms. As always, the Purchasing Department will monitor and calculate all SimplexGrinnell purchase orders to verify that the dollar limits are not exceeded. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent *KDG*

RE: SimplexGrinnell
Direct Negotiated Contract for Fire Alarm Installation
Second Year Renewal of Five-Year Contract

On January 22, 2008, official action (attached) was taken to award the above-referenced negotiated contract to SimplexGrinnell. This negotiated contract is for a five-year contract, renewable annually based upon mutual consent of both parties. The first year of the agreement will expire on December 31, 2008.

Considering services have been satisfactory, James E. Hampton, District General Manager, SimplexGrinnell, was contacted to verify his willingness to enter into the second year of the agreement. As such, James E. Hampton has agreed, in writing (attached), to enter into the second year of the contract.

The terms and conditions of the contract allow for changes (increase and decrease) in labor rates based upon the National Occupational Employment and Wage Estimates. SimplexGrinnell has requested, in writing (attached), a price adjustment in accordance with the 2007 National Occupational Employment and Wage Estimates for the second year beginning January 1, 2009: Helper \$10.86 (increase), Lead Installer \$16.10 (decrease), Supervisor \$23.12 (decrease), Project Manager \$34.91 (decrease).

At this time, it is my recommendation to enter into the second year of the agreement with SimplexGrinnell with the appropriate price adjustments. The second year of the contract will cover the period of January 1, 2009 through December 31, 2009 with anticipated expenditures of approximately \$1,395,000. At this time, we are requesting blanket approval in the amount of \$1,395,000 in order to reduce delays in processing work orders dealing with the "life, health, safety" issues associated with fire alarms. As always, the Purchasing Department will monitor and calculate all SimplexGrinnell purchase orders to verify that the dollar limits are not exceeded. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent 

RE: SimplexGrinnell
Direct Negotiated Contract for Fire Alarm Installation

On November 20, 2007, official action (attached) was given to allow permission to negotiate a direct contract with SimplexGrinnell for the acquisition of parts, software and labor associated with The District's electronic fire alarm systems "as needed" for use throughout the District.

As you know, the Department of Education Rule 6A-1.012(10), allows a district school board, when acquiring high technology resources to make any acquisition through direct negotiation and contract with a vendor as best fits the needs of the school district. As indicated in our previous request, the attached contract with pricing is now being submitted for your approval. This is a five-year contract, renewable annually based upon mutual consent of both parties. The first year of the contract shall be effective from January 23, 2008 to December 31, 2008. The anticipated annual expenditures will be approximately \$710,000 to install additional devices as needed, relocate portable classroom fire alarm systems and for new system upgrades. The agreement has been reviewed and approved by The School District's Attorney, Nancy McClain Alfonso.

Should you have any questions regarding this request, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

November 14, 2007

MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent 

RE: Request Permission to Negotiate
Simplex Fire Alarm Systems

On November 19, 2002, official action (attached) was granted to allow permission to directly negotiate the acquisition of parts, software and labor associated with The District's electronic fire alarm systems for Simplex products. Considering the fifth year of this contract will expire on December 31, 2007, the Maintenance and Facility Services Department, Construction Services and Code Compliance, and the Purchasing Department have been reviewing the existing contract, conditions, and past rationale to verify the applicability of future negotiations through the bid exemptions as presently allowed through the Department of Education rule 6A-1.012 (10) – Information technology.

Currently under the Department of Education rule 6A-1.012(10) allows the Board to enter into direct negotiations for high technology hardware, software and components when it is in their best interest to do so. The term information technology as defined in State Statutes 282.0041(7) means "equipment, hardware, software, firmware, programs, systems, networks, infrastructure, media, and related material used to automatically, electronically, and wirelessly collect, receive, access, transmit, display, store, record, retrieve, analyze, evaluate, process, classify, manipulate, manage, assimilate, control, communicate, exchange, convert, converge, interface, switch, or disseminate information of any kind or form."

Given the fact that the majority of fire alarm systems in the district are similar to computers in that they have front-end processors, data terminals, data storage units, miscellaneous peripheral equipment and data is automatically and electronically transmitted, displayed, stored analyzed, processed, communicated and disseminated to the appropriate fire authorities it appears that Simplex fire alarm systems fulfill the definition and intent of DOE's terminology for information technology and, therefore, would be exempt from the competitive bidding process.

Based upon past and present rationale, it is my recommendation that this acquisition be negotiated as allowed under the above-referenced rule as a multi-year contract, renewable annually by mutual agreement of both parties for a period not to exceed five years. Upon reaching a successful conclusion, I will forward copies of the contract and prices for your ratification.

Should you have any questions regarding this request, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

MEMORANDUM

TO: Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent *KDG*

RE: Request Permission to Negotiate – Simplex Fire Alarm Systems

On July 1, 1997, The Board granted permission to directly negotiate the acquisition of parts, software, and labor associated with The District's electronic fire alarm systems for Simplex products. At the time, Ken Trufant, Purchasing Agent, provided details and rationale for that recommendation – see attached. Subsequently, a five-year contract, renewable annually based upon mutual agreement, was successfully negotiated.

Considering the fifth year of this agreement will expire on December 31, 2002, the Maintenance and Purchasing Departments have been reviewing the existing contract, conditions, and past rationale to verify the applicability of future negotiations through the bid exemptions as presently allowed through DOE Section 6A1.012(10) – information technology.

Currently under DOE rules, *information technology resources* “may be acquired through either a bid process or by direct negotiations and contract with a vendor or supplier, as best fits the needs of the school district as determined by the school board.” The term *information technology* as defined in State Statutes 282.0041(7) means “equipment, hardware, software, firmware, programs, systems, networks, infrastructure, media, and related material used to automatically, electronically, and wirelessly collect, receive, access, transmit, display, store, record, retrieve, analyze, evaluate, process, classify, manipulate, manage, assimilate, control, communicate, exchange, convert, converge, interface, switch, or disseminate information of any kind or form.”

INITIALS dmw | dmw

MEMO/Board Member

November 7, 2002

Page 2

Given the fact that the vast majority of the fire alarm system mechanisms consist of:

- (1) Devices that are similar to computer components - Central and front-end processors, data terminals, data storage units, and miscellaneous peripheral equipment and;
- (2) Whereby data is automatically and electronically transmitted, displayed, stored, analyzed, and processed via interfacing with the District's existing networks; and
- (3) Whereby the gathered data is communicated and disseminated to the appropriate fire authority;

it appears that the Simplex fire alarm systems fulfill the definition and intent of DOE's terminology for *information technology* and, therefore, would be exempt from the competitive bidding process.

Based upon past and present rationale, it is my recommendation that this acquisition be negotiated as allowed under the above-referenced rule as a multi-year agreement, renewable annually by mutual agreement of both parties for a period not to exceed five years. Upon reaching a successful conclusion, I will forward copies of the contract and prices for your ratification.

Should you have any questions or wish to discuss this matter further, contact me at your convenience.
