MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

RE: One-Year Extension of Three-Year Contract
Bid # 10-023-GF: Garbage Service – Resource Recovery
Choice Environmental of Central Florida, Incorporated (formerly known as Central Carting Disposal)
Waste Services of Florida, Incorporated

On May 19, 2009, official action was taken to award the above-referenced bid to Central Carting Disposal and Waste Services of Florida, Incorporated. This bid is a three-year contract, renewable annually based upon mutual consent of both parties. Subsequently, the second year of the contract was awarded on June 1, 2010 and the third year was awarded on May 3, 2011. On July 26, 2011, the Board approved the continuance of service by Choice Environmental of Central Florida, Incorporated as this firm acquired Central Carting Disposal wholly. The third year of the contract will expire on June 30, 2012.

Considering services have been satisfactory, Frank P. Gomez, Sales Representative, Choice Environmental of Central Florida, Incorporated (formerly known as Central Carting Disposal) and John Battista, Division Manager, Waste Services of Florida, Incorporated were both contacted to verify their willingness to enter into a one-year extension permitted under the general terms and conditions of the contract. Due to the uncertainty of future fuel costs and related products, we feel this is in the best interest for the District at this time. As such Frank P. Gomez and John Battista have agreed in writing (attached) to enter into a one-year extension of the contract. The one-year extension will cover the period of July 1, 2012 through June 30, 2013. At this time it is my recommendation to enter into the one-year extension of the contract.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
