RE: Request Dollar Approval for Additional Expenditures
Bid #10-048-LR A/C Filters
Johnstone Supply

On October 5, 2010, official action (attached) was taken to enter into the second year of the above-referenced bid with Johnstone Supply. This recommendation was for an anticipated annual expenditure of \$105,000 for the second year. The second year of the contract covers the period October 7, 2010 through October 6, 2011.

At this time, the Maintenance Department has determined that an additional \$50,000 will be needed through October 6, 2011, to cover the anticipated expenditures for the balance of the second year. This increase is due to the addition of new facilities. At this time, it is my recommendation that the Board approve the additional dollar amount of \$50,000 through October 6, 2010.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

SUBJECT: Funding Increase –
A/C Filter Bid, #10-048-LR

The Maintenance and Facility Services department is requesting to increase the dollar amount of bid #10-048-LR. The increase amount requested is \$50,000.

The increase is due to the fact that we did not have a good annual estimate of the usage. Having clean filters for the older AC units is mechanically imperative.

Thank you in advance for your assistance in this matter. Please feel free to contact the maintenance department at ext. 47900 for any questions you may have.

MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

RE: Bid # 10-048-LR, A/C Filters – Maintenance Department
Second Year Renewal of a Three-Year Contract
Johnstone Supply

On October 6, 2009, official action (attached) was taken to enter into the first year of the above-referenced bid with Johnstone Supply. This bid is a three-year contract, renewable annually based upon mutual consent of both parties. The first year of the agreement will expire on October 6, 2010. This recommendation was for an anticipated annual expenditure of \$79,903.23 for the first year. At this time, the Maintenance Department has determined that an additional \$25,097 will be needed for the second year. This increase is due to the addition of several new schools this year.

Considering services have been satisfactory, Johnstone Supply was contacted to determine their willingness to enter into the second year of the agreement. They have agreed in writing (attached) to do so.

At this time, it is my recommendation to enter into the second year of the agreement with the vendor noted above. The second year of the contract will cover the period of October 7, 2010 through October 6, 2011 for a dollar amount of \$105,000. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

Recommendation:

Recommend acceptance of bid from Johnstone Supply, as noted on the attached bid tabulation sheet, as lowest and best, responsive and responsible "all-or-none" bid meeting written specifications.

Term of Contract:

This bid is for A/C filters "as needed" by the Maintenance Department for use throughout the District. This is a three-year bid renewable annually based upon mutual agreement of both parties. The first year of this contract shall be effective from October 7, 2009 to October 6, 2010.

Notations and Exceptions:

Recommend rejection of Trane HVAC's bid for failure to return signature page of the bid document. Several vendors had addition errors. These addition errors did not change the apparent low bidder.

Savings were determined by averaging all bids submitted and subtracting the recommended vendor's price.
