TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent *KDG fmw*

SUBJECT: Third Year of Three-Year Agreement of Contract on Behalf of Exceptional Student Education (ESE) Department Emory University, School of Medicine, Division of Physical Therapy

Since 2006, the District has had a contract with Emory University. The contract is utilized by Mr. Lee Roberts, Coordinator of Clinical Education with the District's ESE Department. The agreement allows Emory students to obtain clinical experience in a school-based setting, while allowing the District to improve its overall educational program by providing opportunity for students to integrate academic theory with practical applications.

This agreement has a three-year term, renewable annually by the mutual agreement of the parties. The second year term will expire on September 11, 2011.

Emory University has agreed to the third year renewal in writing (attached). The third renewal will cover the period September 12, 2011, through September 11, 2012. Students are not compensated for their participation in the program (i.e., there is no cost to the District), and they are not considered employees of either Emory or the District. If you have any questions or concerns, please contact Monica Verra, Director of Exceptional Student Education, or me at your earliest convenience.

RE: Agreement Renewal Request for Emory University – Division of Physical Therapy Dept. of Rehabilitation Medicine (Year three of three: September 12, 2011 through September 11, 2012)

Since 2006 the Exceptional Student Education Department has had an agreement with Emory University, through its School of Medicine, Division of Physical Therapy, to allow Emory physical therapy students to obtain clinical experience in a school-based setting. It allows the District to improve its overall educational program by providing opportunities for students to integrate academic theory with practical applications.

The original agreement had a three-year term, renewable annually at the mutual agreement of the parties. The final term ran through September 11, 2009. We then moved to AMENDMENT A RENEWAL OF AGREEMENT. This renewal of agreement has a three-year term, renewable annually at the mutual agreement of the parties. Year one commenced on September 12, 2009 and continued through September 11, 2010. Year two commenced on September 12, 2010 and continues through September 11, 2011.

On behalf of the Exceptional Student Education Department, please request permission from the School Board to renew for year three under the same terms and conditions as the original agreement. Year three will commence on September 12, 2011 and continue through September 11, 2012. Emory has agreed in writing to renew. There is no cost to the District.

Thank you for your assistance with this request.
