## MEMORANDUM

**TO:** Honorable School Board Members

**FROM:** Kendra Goodman, CPPO, CPPB, Purchasing Agent *KDG*

**RE:** Amendment to Contract for School District Virtual Instruction Program  
(Florida Virtual School/FLVS Franchise)

As you recall, in accordance with Florida Statutes 1002.37 and 1002.415 and Senate Bill 1676, beginning with the 2009-2010 school year, each school district must provide eligible K-12 students with the option of participation in a virtual instruction program.

On June 21, 2011, the Board approved a request to enter into the second-year of a five-year contract with Florida Virtual School/FLVS Franchise. Since the approval of the contract with FLVS Franchise additional courses were offered.

At this time, we are respectfully requesting your approval to amend this contract to include these additional courses. The original contract was approved by the Board's attorney from McClain, Alfonzo Meeker & Dunn, P.A. via email correspondence dated June 8, 2011. This amendment was approved by the Board's attorney via email dated August 22, 2011. Please see the attached memo from Ms. Jo Anne Glenn, Assistant Principal for Pasco eSchool, for detailed information regarding this request.

The district is permitted to negotiate for services of this nature under Florida Administrative Code 6A-1.012(11)(a). The program will be funded through FTE earned by students enrolled in grades 6-12 by successful completion of each half credit.

Subject: Addendum to Contract for School District Virtual Instruction Program (Florida Virtual School/FLVS Franchise)

In accordance with Florida Statute 1002.415, 1002.37 and Senate Bill 1676, beginning with the 2009-2010 school year, each school district shall provide eligible K-12 students within its boundaries the option of participating in a virtual instruction program. The program makes instruction available to students using online and distance learning technology in the nontraditional classroom.

To provide the students with a variety of learning opportunities and to support our schools as they work to comply with class-size requirement, Pasco eSchool requests approval for the enclosed contract addendum to include new virtual courses recently released by the following provider:

- The Florida Virtual School - FLVS

The cost, as outlined in the contract by the provider, is determined by the number of student enrollments and by the course selection. Generally, most courses carry a fee of \$50 per student, per semester.

The annual cost of the fees paid to this vendor is projected to be \$150,000. The program will be funded through FTE earned by students enrolled in grades 6-12 by successful credit completion per half credit.
