DEPARTMENT OF PROCUREMENT SERVICES
RECOMMENDED ACTION

ACTION: 1) Award Bid No. S-0291-08(JSW), Auctioneer Services to Tampa Machinery Auction, Inc. based on a ten (10%) percent commission rate for sales less than \$10,000 and a commission rate of eight (8%) percent for sales greater than \$10,000 in an estimated amount of \$132,000 (amount may vary based on actual sales) from revenue generated by the sale of equipment and vehicles from the effective date of the county's notice to proceed for a five (5)-year period, for the Fleet Management Department (FMD). In addition, reject the bids submitted from Valle Auto Auction, LLC, Garner & Associates Auctioneers, Inc., and Harrow's Auctions, Inc. as non-responsive for the reasons stated in the background. 2) Deny the protest from Harrow's Auctions, Inc. for the reason stated in the background. 3) Approve Modification No. One (1) to the agreement that includes the requirement of the contractor to maintain a performance bond for the duration of the contract term. Funding is provided for in the department's Internal Service Fund.

DELEGATIONS:

- [Y] Unilateral change orders up to \$25,000 to Director of Procurement Services, Provision Page GC-7, Article 22
- [Y] Unilateral extensions to Director of Procurement Services, Provision Page GC-7, Article 20
- [Y] Unilateral renewals to County Administrator, Provision Page GC-7, Article 23
- [N] Additional Purchase Options to Director of Procurement Services, Provision _____

BACKGROUND: The purpose of this contract is to provide auctioneer services at the contractor's facility to auction a variety of county-owned surplus vehicles, vehicle equipment parts, machinery, heavy equipment, and construction equipment of no further use to the county. The following bids were deemed non-responsive: Valle Auto Auction, LLC and Harrow's Auctions, Inc. did not possess the required Auction Business (AB) license at the time of bid opening and Garner & Associates Auctioneers, Inc.'s bid contained a stated deviation that their facility was not within a twenty (20) mile radius of the FMD facility as required by the bid specifications. Harrow's Auctions, Inc. was notified and appealed its rejection to the County Administrator. They are now appealing to the Board. The recommendation to modify the agreement provides the county with more comprehensive requirements that are in the best interest of the county. This contract is available to the Hillsborough County Governmental Purchasing Council.
