MEMORANDUM

TO: Honorable School Board Members

FROM: Michael J. Woodall, CPPO, Purchasing Agent *MJW*

RE: Fifth Year Renewal of Five-Year Contract
RFP #09-100-LR, Environmental Consultant – Maintenance Department
AMEC Environment & Infrastructure, Inc. (first-ranked firm)
Professional Service Industries, Inc. (second-ranked firm)
OHC Environmental Engineering, Inc. (third-ranked firm)

On February 17, 2009, official action (attached) was taken to award the above-referenced RFP to the vendors noted. This RFP is a five-year contract, renewable annually based upon mutual consent of both parties. The fourth year of the agreement will expire on March 4, 2013.

Considering services have been satisfactory, the vendors were contacted to verify their willingness to enter into the fifth year of the agreement. They have agreed in writing (attached), to enter into the fifth year of the agreement.

Therefore, at this time, it is my recommendation to enter into the fifth year of the agreement with the vendors noted above. The fifth year of the agreement will cover the period of March 5, 2013 through March 4, 2014.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

**Subject: Amendment of Original Consultant Agreement between
District School Board of Pasco County and MACTEC Engineering and Consulting, Inc.
District School Board of Pasco County
Land O'Lakes, Florida
(Environmental Consultant, RFP#09-100-LR, March 2009)**

Dear Mr. Boucher:

We are writing to inform you that MACTEC Engineering and Consulting, Inc. changed its name to AMEC E&I, Inc., effective July 5, 2011. All services will continue to be performed under the same terms and conditions that are contained in the original Agreement. Service will continue to be performed by the same personnel from the same locations as prior to the change of name.

As advised, MACTEC Engineering and Consulting, Inc. has become part of the international AMEC family of companies with \$5 billion in revenue and 26,000 employees in 40 countries. As a result, MACTEC Engineering and Consulting, Inc. possesses enhanced capabilities to perform the services required under the original Agreement.

We think it is appropriate to amend the original Agreement to reflect this name change by substituting "AMEC E&I, Inc." for "MACTEC Engineering and Consulting, Inc." and/or "AMEC" for "MACTEC" wherever the names appear in the original Agreement, effective July 5, 2011. Other than as amended hereby, the original Agreement remains in full force and effect.

Please indicate your agreement to the above amendment by executing both copies of this letter and returning one executed copy to me. Please call me if you have any questions.

Your prompt and considerate attention to the matter is greatly appreciated.

Sincerely,
AMEC E&I, Inc.

Russell E. Stauffer, P.E.
Principal Engineer

District School Board of Pasco County Bid Recommendation

Bid Title	Environmental Consultant Maintenance Department	Number of Vendors Notified	1175
Bid Number	09-100-LR	Number of Bids Distributed	87
Date Solicited	January 12, 2009	Number of Vendors Bidding	7
Date Opened	February 2, 2009	Number of Formal "No Bid" Responses	0
Date Board Presentation	February 17, 2009	Funding Source	General/Capital
Total Savings	\$4,129.95	Grand Total of Bid	\$100,000.00

Recommendation:

Recommend acceptance of RFP per the attached bid tabulation. As per the terms of the RFP, the District has reserved the right to use the services of the second-ranked or third-ranked firm if the volume of work or response time required exceeds the highest-ranked firm's ability to successfully perform.

Term of Contract:

This is a contract for an Environmental Consultant for the Maintenance Department for use throughout the District. This is a five-year RFP renewable annually based upon mutual agreement of both parties. The first year of this contract shall be effective from March 5, 2009 to March 4, 2010.

Notations and Exceptions:

Recommend rejection of bid from Nova Engineering and Environmental, LLC because of failure to have done business under the same legal entity for a period of at least five (5) years as specified.

The evaluation consisted of a selection review committee, made up of representatives from the Maintenance and Facility Operations Department and Construction Services and Code Compliance. Each RFP was evaluated according to a weighted point system (i.e. Firm's Profile 5, Firm's Technical Qualifications 15, Pricing 25) as outlined in the specifications with scores totaled and then averaged to obtain a ranking, highest to lowest. Recommend acceptance of MACTEC Engineering and Consulting, Inc. as the first-ranked firm, Professional Service Industries, Inc. as the second-ranked firm, and OHC Environmental Engineering, Inc. as the third-ranked firm. Copies of the evaluation forms are on file in the Purchasing Department.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
