Recommendation: Recommend acceptance of bids as noted on attached bid tabulation sheets through Reverse Auction on behalf of the DSBPC and the Bay Area Schools Purchasing Consortium (BASPC) for Athletic Equipment & Uniforms, as the lowest and best, responsive, responsible bids meeting written specifications.

Term of Contract: This is a one (1) year bid effective from March 6, 2014 through March 5, 2015. Purchases will be made by each participating school district as needed.

Notations and Exceptions:

The following bids were disqualified at the pre-qualification opening: Dills Custom Apparel, Gilman Gear and Paul Pryor Travel Bags, Inc. for failure to provide a signed mandatory Attachment A – Bidder's Principal Place of Business form. The remaining eleven (11) responsive bidders were trained by our contracted partners, Crowne, Inc. and Electronic Auction Services, Inc. (EASI) on how to participate in the pricing event.

AE-31: Recommend rejection of lower bid from Looper Sports Connection for failure to meet specifications as the paint wears off easily and the shoulder pads are not true to size. Recommend acceptance of bid from Riddell / All American as the lowest and best, responsive and responsible bid meeting written specifications.

AE-49, AE-50 and AE-54: Recommend rejection of bid from Pyramid School Products for failure to meet specifications due to thin paint, color is dull, cans drip paint and lasts only 2 to 3 days on field. Request permission to acquire three (3) quotes as no other bids received met criteria as an equal product.

AU-103 and AU-104: Recommend rejection of lower bid from Mercury Management Group LLC d/b/a Reds Team Sports for failure to meet specifications as material fades after washing and is not durable. Recommend acceptance of bid from Allen Sports Center, Inc. as the lowest and best, responsive and responsible bid meeting written specifications.

Notations and Exceptions:

Item AE52, AU171-AU173, AU68-AU69, AU87, AU95-AU97, AU109-AU111, and AU141-AU142:

Request permission to acquire three (3) quotes as no bids were received for these items.

The Reverse Auction was conducted using EASI's hosted software service, which was and will continue to be provided at no cost to the District. The District is authorized to utilize this service by Florida Statute 668.50, the Uniform Electronic Transaction Act. The National Institute of Governmental Purchasing (NIGP) has recognized the Reverse Auction procurement methodology as routinely demonstrating significant cost savings on suitable goods and services.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
