2. TERM OF AGREEMENT

4. PROVIDING SOFTWARE

Pearson VUE shall provide to Company a copy of the Software in machine-readable object code and

user documentation. Revisions deemed appropriate by Pearson VUE will be provided by Pearson VUE to Company at no additional cost.

5. USE

Company agrees to the following restrictions on its use of the licensed or sublicensed Software:

- a. To use the Software exclusively to administer Tests provided by Pearson VUE as described in and subject to the terms and conditions of this Agreement.
- b. To limit the use of all Software copies and versions thereof to the use provided for herein and to make copies solely for emergency backup purposes for such use.
- c. To include appropriate copyright notices on all copies of the Software and documentation, and to explicitly follow Pearson VUE's additional instructions, if any, relating to copyright protection of the Software, documentation and related materials.
- d. To maintain strict security in the storage and distribution of the Software and any copies to protect the copyright and/or trade secret rights therein, and not provide, permit access to or otherwise make available, the Software, documentation or related materials (or copies, summaries, notes or modified versions thereof), to any other party or for any other use.
- e. Not to reverse engineer, decompile, disassemble, create derivative works from, alter, modify or otherwise vary the Software without the express, written consent of Pearson VUE (such authorized alteration or modification not to limit or alter the copyright or trade secret rights).

6. TERMINATION

If Company attempts to sell, remove, duplicate without authorization, transfer, encumber, part with possession of, or sublet the Software, or any portion thereof, or any modification or version thereof; or upon discontinuance of the use of the Software by Company, the Software License granted by this Agreement shall terminate automatically and all copies of the Software and documentation (in any medium and including summaries, notes and the like) shall be immediately returned to Pearson VUE at Company's sole cost and expense, including reasonable attorney's fees, if any. Upon termination for any reason by either party, and within ten days of such termination, all copies of the Software and documentation (in any medium and including summaries, notes and the like) shall be returned to Pearson VUE by Company without delay by delivering all such items to Pearson VUE's place of business, complete and in good order and condition. If Company fails to return such materials, Pearson VUE may take such action as may be reasonably necessary to recover such materials and Company shall reimburse Pearson VUE's reasonable costs and expenses.

7. LIABILITY

Company, having possession of and control over the Software, shall be responsible for its use, operation, storage, management and safety. Consequently, except to the extent that damage or injury is caused by Pearson VUE's negligence or the intentional misconduct of Pearson VUE's employees, Company assumes the risk and sole responsibility for damage or injury to equipment, Software, personal property or to third parties caused by Company's use or possession of the Software, and Company shall be obligated to protect itself and Pearson VUE against any such occurrences, including claims by Company's employees or any other persons or organizations with which Company does business, all at Company's sole cost and expense.

8. PEARSON VUE REMEDIES

It will be a default and breach of the Agreement if Company fails to perform any of its obligations under this Software License, or if Company becomes insolvent or makes any assignment for the benefit of its creditors, or if any proceeding under the bankruptcy laws or comparable statute is commenced by or against Company, or a writ of attachment or execution is levied on any item of the Software and such proceeding is not terminated or such writ is not satisfied or released within 15 days after attachment of levy. On Company's default, Pearson VUE at its sole option may require Company to return any or all copies of the Software and documentation (in any medium and including summaries, notes and the like) or pursue any other remedy at law or in equity. Any taking of possession of the Software shall not release Company from any of its obligations hereunder unless Pearson VUE, or its assignee, notifies Company in writing. If it is necessary for Pearson VUE to enforce this Software License or any of its terms, Company shall pay all costs related to such enforcement, including reasonable attorneys' fees.

9. GENERAL
