### MEMORANDUM

TO: Honorable School Board Members

FROM: Nicole Westmoreland, MBA, Purchasing Agent *NW*

SUBJECT: Purchase of Lego - WeDo Robotics

Office for Teaching and Learning is requesting to place a purchase order for \$134,632.97 to Lego for WeDo Robotics. WeDo Robotics engage students in building and programming robotic models to write stories, solve problems, and create innovative projects. Please reference the attached memo from Brian Schultz, Program Coordinator, Title I, Office for Teaching and Learning. Expenditures for this program will be \$134,632.97, using Title I Part A funds.

Under the Department of Education Rule 6A-1.012(11) (b), the requesting of bids from three (3) or more sources is waived for the purchase of educational materials where such materials are purchased directly from the producer or publisher, the owner of the copyright, and exclusive agent within the state, a governmental agency or a recognized educational institution. Scholastic is the exclusive United States distributor for Lego Education Division school-range products (see attached).

Should you have any questions regarding this matter, please contact Brian Schultz or Debra Reaves, Purchasing Services, at your earliest convenience.

From: Brian Schultz, Program Coordinator, Title I  
Office For Teaching and Learning

Subject: Lego Purchase Order

The Office for Teaching and Learning, Title I requests approval from the District School Board of Pasco County for a Purchase Order for Lego We Do Robotics. The Purchase Order will be paid with Title I Part A funds.

In building the skills, behaviors, and dispositions for college, career, and life readiness students need to be engaged in rigorous and relevant learning experiences. WeDo Robotics from Lego is a cross curricular learning opportunity that connects, literacy, science, technology, engineering and mathematics through the use of coding and robotics. Students will be engaged in building and programming robotic models to write stories, solve problems, and create innovative projects.
