Subject: SACS CASI/AdvancED Accreditation Fees for 2014-2015

The Office for Accountability, Research, and Measurement is requesting approval from the District School Board of Pasco County to provide payment to SACS CASI AdvancED for our annual accreditation fee for our 77 schools. The cost is \$650 per school for a total of \$50,050.00.

All applicant, candidate and accredited institutions pay annual accreditation fees to cover the cost of services and support associated with the accreditation process.

In addition to support and service the accreditation fee provides us with the new AdvancED Standards for Quality AdvancED Accreditation Protocol and AdvancED Adaptive System of School Improvement Support Tools (ASSIST).

Our accreditation is a proven, clear and powerful protocol that provides a comprehensive analysis to drive continuous improvement and inform needed actions to improve school learning.

Contract # 2015000021

Congratulations on being a part of the world's largest education community, representing 32,000 public and private schools and districts in more than 71 countries worldwide, educating more than 17 million students. Your accreditation through AdvancED, NCA CASI, SACS CASI or NWAC is a proven, clear, and powerful protocol for school improvement that provides a comprehensive analysis to drive continuous improvement and inform needed actions to improve student learning.

Our non-profit organization funds accreditation and school improvement services for educational entities through the payment of annual accreditation fees. Your annual accreditation fee also enables us to provide you with local support for accreditation through your state or regional office as well as international leadership and representation through AdvancED, the parent organization for NCA CASI, SACS CASI and NWAC.

In addition to support and service, your accreditation fee provides you with AdvancED Standards for Quality, AdvancED Accreditation Protocol and AdvancED Adaptive System of School Improvement Support Tools (ASSIST). These tools and protocols mark a new generation of accreditation and school improvement. The result is a performance-based accreditation process and state-of-the-art, web-based system that provides each institution with a comprehensive analysis to drive continuous improvement.

We have enclosed your annual accreditation fee invoice for the 2014-15 school year. Your invoice is sent in the spring each year for the upcoming year's fees. This timing gives you flexibility with regard to the budget year of payment and assists with planning expenses for the coming year. At its core, accreditation is based on school improvement and, as a reminder, in some states Title I or II money can be used to support these school improvement programs. Payment is due July 31, 2014.

For questions regarding the enclosed invoice, please contact Cathy Winnie (cwinnie@advanc-ed.org) at 678.392.2285, ext. 5617, or toll-free at 1.888.413.3669, ext. 5617. You can also fax any questions to us at 770.346.9266.

Thank you again for your commitment to accreditation and for all you do to advance the quality of education provided to students around the globe. We look forward to serving you in the 2014-15 school year.

AdvancED is the parent organization for the North Central Association Commission on Accreditation and School Improvement (NCA CASI), the Northwest Accreditation Commission (NWAC) and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI).
