MEMORANDUM

TO: Honorable School Board Members

FROM: Nicole Westmoreland, Purchasing Agent *NW*

RE: Permission to Place Purchase Order for District Licensing, FileMaker Software
CDW-G

The District has a volume license agreement with FileMaker Inc. which allows use of the entire family of FileMaker products as needed, including work-at-home rights for employees. This software is used extensively throughout the District, from individual desktop databases to District-wide enterprise applications.

The Office for Technology and Information Services is requesting software support for this product line. Please reference the attached memo from John Simon, Director, and Denise Steuer, Supervisor, Office for Technology and Information Services. The expenditure of \$73,500 to CDW-G will be funded through capital outlay funds, and is permitted without formal bid under Florida Administrative Rule 6A-1.012(14). The price has been deemed competitive based on three (3) written quotes received as documentation, on file in Purchasing Services. The term of the software support will be October 1, 2014 through September 30, 2015.

We are requesting permission to place a purchase order in the amount of \$73,500 to CDW-G. Please contact John Simon or me if you have any questions or concerns.

Subject: District Licensing Purchase of FileMaker Software

The District School Board of Pasco County has a volume license agreement with FileMaker, Inc. that allows the district to use the entire family of FileMaker products as needed, including work at home rights for employees. FileMaker software continues to be used extensively throughout the system from individual desktop databases to district-wide enterprise solutions.

I have received quotes from FileMaker, Inc. and other resellers, and I have been able to obtain a deeply discounted price that is well below the standard volume licensing price. The low bid received from three quotes is from CDW-G in the amount of \$73,500. I am therefore requesting permission to place a purchase order in this amount to CDW-G, funded through capital outlay. Approval of this purchase order will allow the continuation of district-wide deployment of FileMaker software with a term of October 2014 – October 2015.

Thank you very much for submitting this request for approval to the School Board.
