DEPARTMENT OF JUVENILE JUSTICE

WITNESSETH:

WHEREAS, the School Board is committed to providing appropriate educational programs for school age children in alternative settings when school placement in a center is not desired or recommended; and,

NOW, THEREFORE, in consideration of the foregoing, the parties agree as follows:

I. Purpose

The School Board and DJJ are committed to cooperate in the development of programs designed to provide a comprehensive system of care that meets the health, educational, mental health, and social welfare needs of children and youth served in juvenile justice settings.

The Superintendent of Schools and DJJ administrators within the county shall develop and support joint program initiatives that will facilitate the more effective and efficient delivery of services for children and youth served in DJJ settings including residential programs, detention centers, and youth under any non-residential supervision.

This agreement ensures that in the implementation of applicable provisions of Florida's statutes and rules, the School Board is the responsible agency and exercises general authority over all education programs within the county. This agreement also ensures that the School Board and DJJ shall cooperatively plan for the provision of education and social services to all children and
